Dear NHPRS Members:

As you all know our next annual conference will be convened in May 2012 in Kelowna, BC (<http://www.nhprs.ca/>). In order to maintain the outstanding quality of this scientific society, the NHPRS board has also decided to publish a one-page monthly newsletter.

We cordially invite you to contribute and/or encourage your colleagues to submit relevant exciting research findings in your lab/ institute, news about your programs, related upcoming events in your city/country, etc. before the 10<sup>th</sup> of each month. The newsletter will be published on our website and emailed to you on 15<sup>th</sup> of every month.

Have a wonderful day!

Best regards,

Elham Hosseini-Beheshti, M.Sc. Ph.D. (c)
